

Pennsylvania **CareerLink**®

NORTHWEST REGION

We're going mobile!

As we transition to the mobile model, job seekers will notice some changes in the way they receive services:

- **The PA CareerLink® presence throughout the community will be advertised online at www.nwpacareerlink.org and available through our toll-free number.**
- **Some of the workshops offered to job seekers will take place in venues at partner locations, such as the library or a career and technical center.**

You will continue to receive the same services currently provided by our staff, and we'll be able to offer you better access to even more services!
