PA CareerLink® of Erie County and Oil City Takes Steps Against COVID-19

With the recent surge of COVID-19 cases in Northwest PA, the local partners of the PA CareerLink® will temporarily close our Erie County and the Oil City office to do our part in ensuring the safety of our community. After careful consideration and consultation, we have decided that the closure will begin Monday November 30, 2020 with a tentative schedule for reopening on December 14, 2020, depending on the data concerning the spread of COVID-19. If an extension is necessary, we will certainly make the public aware of our decision.

Although our physical office will be closed during this time, we will continue to serve the clients that reside in Clarion, Crawford, Erie, Forest, Warren, and Venango counties via Skype, and FaceTime as well as other technology like Ring Central, text messaging and Webex.

We thank you for your patience and support during these difficult and uncertain times. We are dedicated to providing you the best in service and will continue doing so without interruption by way of our virtual and electronic communications.

To contact our offices for client services, you may call directly:
