

## COVID-19 Challenges: Perspectives as *both* Physician and Manufacturer

- Recent experience with factories in China and Taiwan
- Supply chain shortages
- Impact on exports
- COVID-19: transmission, protection, testing, and science
- School closure impacts
- Striving to get people back to work

### **Presented Dr. Wei-Shin Lai, MD, Founder and CEO of Acoustic Sheep**

Dr. Wei-Shin Lai, M.D. is Co-founder and CEO of AcousticSheep LLC, a FDA-listed manufacturer in Erie PA. Previously, she was a family physician, graduating from the University of Virginia. During a period of time, she studied to become an EIS (epidemic intelligence service) officer with the CDC. AcousticSheep LLC is the 2016 winner of the Ernst & Young Entrepreneur of the Year, 2016 Small Business Association's Entrepreneur of the Year, and multi-year winner of the Consumer Electronics Show Innovations.
