(The organizational chart is for the benefit of the public and must be used to describe the attributes of the local workforce development system. This chart should be reviewed annually for revisions. The local board may supplement this model with clarifying charts. If multiple pages are needed to represent the local system, ensure that “Governance/Administrative” and “Service Delivery” information is displayed on separate pages respectfully. Use of model sub-titles is required. Publicly post the organizational chart with the local area plan. A WIOA plan modification is not required when revision occurs with this document.
